

Activity 1

Make animal face masks

See the Activity Sheets.

Activity 2

Research project

As a class project, research what farmers grow in other parts of the world such as Africa and the Indian Sub Continent. How are they similar? How are they different and why? You could begin to look into Fairtrade and why it is good.

Activity 3

Create your own miniature farm garden

Using clay or playdoh create your own miniature farm garden in a tray with lettuces, carrots and beans. Make some tissue paper flowers to go in your garden. Add a pond and other features to make it spectacular.

Activity 4

Poetry task

Look at some farm based poetry and try and re-create your own.
